1973 ATHENS FAIR

The students of Cedar Shoals enjoyed the fair that came to Athens during the month of October. Besides the rides and all the fun, the fair offered educational displays too. Some vocational clubs of Cedar Shoals had displays made by the students.

People from surrounding counties also enjoyed the fair held by local businessman. For the entire week cars were lined along the Lexington Road for two miles.

WHERE DO WE GO FROM HERE

Our class is lucky to be living in the time that we are because of the many job opportunities and careers offered to us. After graduation some of us will enter college, vocational, or technical school; others will seek understanding and meaning to their lives through travel and exploration of the world.

The decision is ours. It's left up to us, we must make it on our own. We have what seems to be a lot of time in the beginning of our senior year to decide, but as it closes, time seems to become less and less. Yet, we know we'll come up with the right answer.

WASHINGTON, JUNE 14—AFTER THE ADDRESS—President Nixon is all smiles as he poses for pictures in his White House office after delivering a nationwide television address (AP Wirephoto)

DO YOU HAVE AS MUCH TRUST IN THE GOVERNMENT?

"Yes, I have trust in the government now because the things that are being uncovered, are being made public; and anything under public speculation undergoes thorough security."

"Yes, I trust the government as much now as I did before Watergate. I feel that it was the fault of a few men who wanted to gain more power. They used their power to do what they wanted, told (supposed) lies to the President."

"I definitely do not have as much trust in our present government or even in our entire system. The Nixon administration has exercised their powers to and beyond their role in the system of checks and balances."

"No, I feel there are too many politicians out to better themselves and gain more personal power at all costs."

GOVERNMENT INVOLVED IN WATERGATE.

Washington, June 12—GRANTED IMMUNITY—Former White House counsel John W. Dean III, accompanied by his wife, leaves U.S. District Court in Washington Tuesday. Earlier in the day U.S. District Judge John J. Sirica granted Dean use immunity, meaning that any testimony he gives before the Senate Watergate Committee cannot be used to develop a case against him. Dean's attorney declined any comment on what had transpired inside the court. (1973) compliments of UPI

OPINIONS: STUDENTS AT CEDAR SHOALS RESPOND TO QUESTIONS CONCERNING GOVERNMENT AND WATERGATE.

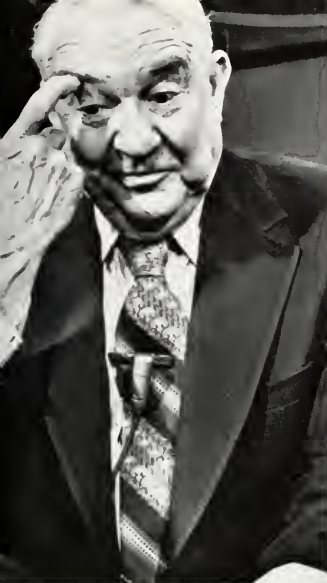

HOW MUCH DO YOU KNOW ABOUT WATERGATE?

"I know enough to know what is happening in Watergate. A big scandal with the president and his officials about tapes that they should not have had."

"I don't know much about Watergate because it was boring to sit there and watch the people being questioned. All I know is that a group of people got together and went to spy on the other groups plan for elections. I know that some how some illegal

donations, quite large ones, found their way into the Presidents campaign fund, Democratic head quarters were then bugged. Nixon was supposed to have possession of some taped conversations. These tapes, termed "The Watergate Tapes" caused considerable controversy.

Sen. Sam Evin, chairman of the Watergate investigating committee. Ervin appeared on ABC's "Issues and Answers," he discusses developments in the Watergate on the show.

DO YOU FEEL PRESIDENT NIXON SHOULD BE IMPEACHED?

"I am not pro-Nixon, but if we should impeach, who is going to lead the country? We don't have a vice president at the moment and I don't know that much about Gerald Ford anyway. I think Congress would do a rotten job leading the country. Besides I haven't lost complete faith in Nixon."

"I think that president Nixon should be impeached. Then if he isn't guilty it will be proven in the trials. They should go ahead and start impeachment procedures instead of just talking about it.

"I believe Mr. Nixon should be impeached. When a man is questioned he should have enough guts in him to face and denounce his accusers. However I have not the foresight to predicted, nor has any man, whether or not impeachment measures would be overall good for the nation. I believe they would **strengthen** the Constitution.

"Yes, I do, Nixon knew what was going on but didn't try to stop it at all. All he said about it was that it was wrong, but still didn't do anything about it."

Ex-Vice President Spiro Agnew tells the National Federation of Republican Women in Los Angeles he won't resign even if a Maryland grand jury indicts him in a political kickback investigation. "I intend to stay and fight," he said at the close of his speech. (AP Wirephoto)

HOW DO YOU FEEL WATERGATE HAS INFLUENCED THE GOVERNMENT AND HOW WILL IT CHANGE IT?

"Well, I think that the public is more wary of politicians now. I think people will want to know all about a candidate before he is elected. I don't believe for one minute that the Nixon Administration is the first to have an incident such as Watergate."

"I feel it will take some power out of the presidency and give more to congress and to the American people. Also Campaigns will put more and more emphasis on honesty and officials will be carefully investigated."

"Government will be more open to investigation by the public and that no longer will everything be justified as national defense legal or not!"

Washington, Aug. 6—PROSECUTOR AN EARLY RISER—Special Watergate Prosecutor Archibald Cox has the park to himself as he reads the morning paper before going to his office early Monday. Tuesday President Nixon's lawyers will go to court to file arguments telling why the President would not produce tapes and documents Cox has subpoenaed from the White House. Enthusiastic Doug Burrel cheers Seniors onto victory.

SENIORS WIN THE STICK

We want the stick, we want the stick! could be heard all over the gym and through out the school during the pep rally. The Freshmen class had grasped the stick in all the earlier pep rallies, but the Seniors decided they were going to get it that day. They showed up with banners, cowbells, trash cans for drums, toilet paper to be thrown after the victory of a rip-roaring cheer from the seniors. They added a new cheerleader to the cheerleading squad that day, Doug Burrel, who cheered the seniors on.

After music and entertainment from the drill team, the hour long pep rally was coming to a close. It was time for Coach McCullough to announce the winner of the stick. As he walked up to the microphone, a hush fell over the crowd. Coach McCullough announced, "I'd like a minute of silence for sophomore class, I think they died!" and the pit went into an uproar. After everyone calmed down, Coach McCullough announced the winner, and it was the SENIORS. Cheering and yelling befell the seniors as they danced onto the gym floor led by their gallant leader, Doug. It was a good day to be a senior.

Waving "Go Seniors" Banner, Janet Carter and Benjie Lord cheer for Seniors at pep rally.

MUSIC

MARCHING BAND Captures Mayor's Award

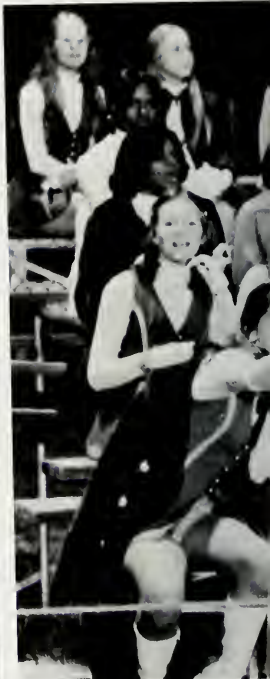

The Christmas Parade this year can be considered a big victory for the Cedar Shoals Marching Band. The bright blue and orange caught the eye of both judges and spectators as Cedar Shoals marched through downtown Athens. This appeal for our band became quite apparent when the judges presented the Cedar Shoals Marching Band with the Mayor's Award, which is given annually to the entry with the best all-around unit. Approval of Cedar Shoals as the best marching unit was probably best shown by the reaction of the crowd as the band marched by. The bystanders' applause could be heard coming down the street as Cedar Shoals paraded past. Credit must also go to Mr. McLure who is band director at Cedar Shoals. Due to his hard work as the coordinator of the marching band, we can say that the Cedar Shoals Marching Band is the best in Clarke County!!

THE SHRILL OF his whistle cuts through the noisy den as Drum Major Gerry Pagano prepares for the pre-game show.

LAUGHING, CLAPPING, AND yelling is contributed by the spirited drill team as they cheer on the Jaguars at the Aquinas game.

MARCHING, MARCHING, MARCHING—a maze of flags and instruments leave the field after the pre-game show.

SMILING PRETTILY AS captain of the drill team Leslie Bowen waves to the crowd.

What better way to greet the Jaguars during the pre-game show than with the welcoming sound of blasting trumpets. Chow time!!!! Ellis Stevens enjoys a hot dog after half-time following the rush of half-time excitement.

Summer practice for the drill team involved not only hardwork; but, also, rap sessions took place on the do's and don'ts of marching. "Instruments Up-Ready-Play" can be heard in the stands as Mr. McLure readies the band to play a number.

Pizza could be seen in the hands of band members (such as blond-headed Susan Andress who is captain of the flag corps) after grueling nights at the football games.

Blaring trombones play during practice. Hardwork + talent are the key words to being in the Jazz Ensemble.

THE SOUND OF MUSIC

A hush.

The rustle of paper.

Two hands descend on the downbeat.

And the works of the world's greatest composers of jazz, pop, and classical music come alive as the Cedar Shoals **Jazz Ensemble**, under the skillful direction of Mr. Larry McLure, electrifies and excites their audience with the fruits of their many weeks of hard labor.

Improvisations, runs, and solos fill the air. To paraphrase Rogers and Hammerstein, "The school is alive with the sound of music." The **Jazz Ensemble** makes music look so easy, yet it is difficult to comprehend the amount of hard work that goes on daily in Room 109.

CHORALE Full Of Promise

The Chorale is an advanced choir made up of the best in vocal talents at Cedar Shoals. In past years, audiences have been thrilled with their performances which included anything from "Bach to Rock". This year was no exception in spite of the fact that the Chorale was under new direction. Mr. Ernie Mason, who is from Gainesville, Georgia, proved to be a very active leader; and under his supervision, the chorus exhibited an abundance of promising talent.

Christmas was a busy time for members of the Chorale, for they presented concerts in various places in Athens and also at Lenox Square in Atlanta. Spring gave the talented Chorale another opportunity for singing, for in April they left for a concert tour throughout Florida. Mr. Mason had been planning this tour since the beginning of the school year; and with its usual enthusiasm, the Chorale performed beautifully while away.

STUDENT GOVERNMENT

The Student Government of Cedar Shoals worked hard this year to carry out many of the tasks set before them.

The officers for this year were President—Jeff Scott, Vice President—Vickie White, Secretary—Julie Pope, and Treasurer—Carol Kesler, who were elected along with the class senators by their peers.

Not only was this the first year for the Student Government to present a program at a PTSA meeting of parents, teachers, and students; but this was also the first year for our school to be a part of the Georgia Association of Student Councils (GASC).

The Student Government with the help of Mrs. Pat Duttweiler and Mrs. Deborah Gunter, who are the advisors, served our school in several areas. During the Christmas season, the Student Government helped to collect money for the Salvation Army by ringing bells at kettles in the Downtown area for nine hours. Another service or maybe it should be called entertainment provided by them was a talent show held in February. The talent show featured students who competed in front of judges for top honors. It was so well received this year that with the proper interest it will continue as an annual event.

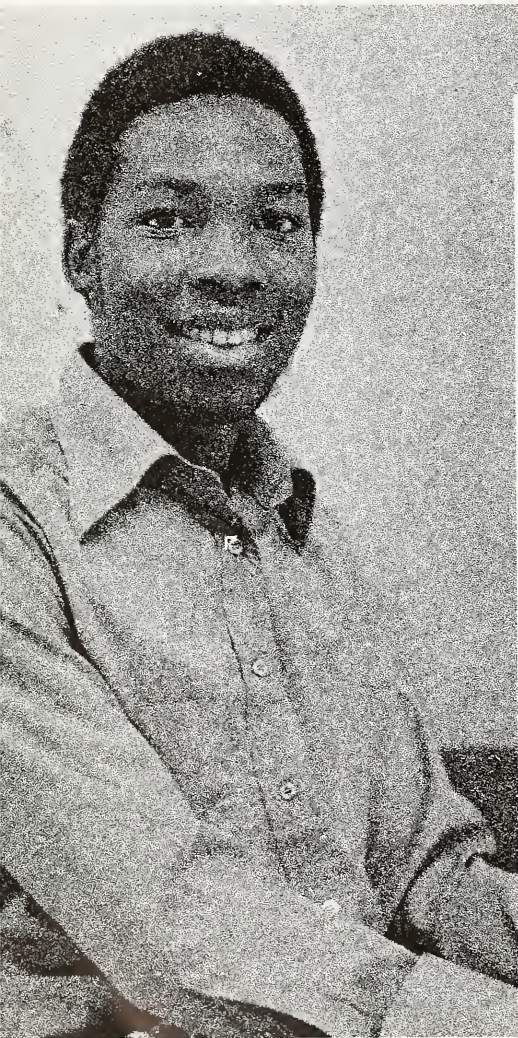

Student Government Members: Senior Senators: Leslie Bowen, Marilyn Gordon, Carolyn Kennedy, Starri Paul, Cheryl Harris. Junior Senators: Harold Fulton, Vince Keane, Coretta Moss, Carol Jeanne Neal, Jodye Tolbert. Sophomore Senators: Nila Clark, Deborah Hitchcock, Jon Kelly, Shirley Kennedy, Karen McGuire. JAGUARS HAVE A GREAT SEASON

The Jaguars had a tremendous season this year. Coach Waters and his staff were very pleased with their team. This is the second year of Cedar Shoals existence and the success the football team made this year showed remarkable skill by everyone involved.

The pep rallies were a great help for the team. "When the students show all that enthusiasm, it's a main factor in boosting the Jags on to victory," said Coach Waters.

IT MAY LOOK EASY BUT . . .

it ain't. The Jaguars worked real hard this year to make their season successful. They got off to a good start by attending a summer camp at Tallulah Falls. Many long hard hours were spent in the hot sun clashing heads and bruising bodies to prepare our

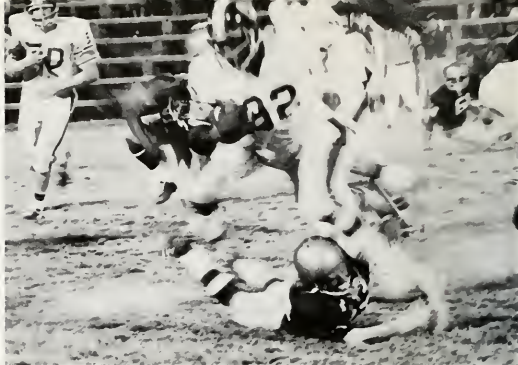

team for the season ahead. Their effort was well rewarded as they finished their season with eight wins and two losses.

Next year we will enter the 8-AAA region and will compete with region teams for the state title.

ELBERT CO. BIG GAME

The Elbert County game was a victory that proved the talents our team possessed. This victory, 34-0, was a welcomed surprise for the Coaches, players, and the fans.

The baby Jaguars finished out their season with four wins, three losses, and one tie. This proves to be a good season for their second year in existence.

Coach DuBose and Coach Usry are doing a good job in preparing these freshmen players for their Varsity years ahead. During their season they dumped our arch rival, Clarke Central, by a score of 7-14.

HOMECOMING 1973-1974

QUEEN LESLIE BOWEN reigns over Homecoming Game as Cedar Shoals celebrated their first Homecoming on October 6. The girls were chosen by the student body. During the half-time coronation ceremonies, the Senior homecoming court, accompanied by their escorts, were presented. The underclassmen were

also recognized at half-time. The Jaguars played with tremendous effort and determination throughout the game, and defeated Dunwoody with a score of 26-0. Afterward, a dance sponsored by the Student Council, featuring The Organization, climaxed a night to remember as the first Homecoming for every Jaguar fan.

CROSS COUNTRY TEAM HAS ANOTHER GREAT SEASON

The second edition of the Cedar Shoals Cross Country team represented the school well. They continued the tradition of never having lost a dual meet in the school's history. The Cross Country team as is the entire Jaguar sports program is fast building a statewide reputation. The Cross Country team won all eighteen of their dual meets. They came in first in the following: West Georgia Invitational, Berry Invitational, and Forest Park Invitational. They were also runners up in the Region 8-AAA tournament.

Team Picture: first row: Jeff Blankenship, Bill Bowden, Chuck Bixby, Brent Box, Russel Buchanon, Steve Walker, Rabun Neal. second row: Assistant Coach, Wesley Grice, Chip Kassinger, Egil Fors, Hank Bixby, David Hegwood, John Tyler, Bill Tummings. third row: Coach Max Mayo, John McGuire, Mike Pratt, Rick Freeman, Cabell Greenwood, Johnny Jones.

DRAMA CLUB

"Who has make-up stick number 7? . . . Where's my costume? . . . I've got to go over my lines again . . . Somebody give me the cues . . . How's the house look? . . . Somebody had better run a prop-check . . ."

These and a multitude of other hurried, last-minute statements fly through the air as the Cedar Shoals Drama Club prepares for yet another performance of **Crawling Arnold**, **Harvey**, or their spring production.

These productions were enthusiastically greeted by all audiences. **Crawling Arnold** was so well received that it placed first in the Region -AAA one-act play tournament and was a stiff competitor in the State event. The public raved about **Harvey**, and the spring production was a huge success.

The successes of these productions was due to the extraordinarily large amount of work put into each play. Elaborate sets, elegant costumes, and fantastic acting and direction all contributed to the high quality of the productions, along with an intense desire to give audiences from all over the state a moment of pleasure.

INTERNATIONAL THESPIAN SOCIETY

The International Thespian Society is an honorary organization established to recognize the accomplishments of high school actors and to further advance departments of theater and drama on the secondary-school level.

Cedar Shoals is fortunate to have a chapter of this International organization. Only in its second year, the Cedar Shoals Thespian troupe has already gained state-wide recognition by co-hosting the state convention and presenting **Harvey** to the Thespian troupes that attended. Under the direction of Miss Betsy Manley, the troupe has established a reputation for excellence far above that of most high school dramatic societies. Perhaps this is because they believe in the Thespian motto, "Act well your part; there all the honor lies."

VAN EPPERSON TAKES a peek at "little Willie" while others carry on a nonsensical conversation.

DRAMA CLUB MEMBERS from the cast of **Crawling Arnold** take time out for a picture. RUSHING THROUGH LAST-MINUTE preparations, Drama Club Members ready themselves for a production.

Drama Club Members: Gary Pitts, Brenda Monroe, Crew Kinnard, Jessica Feldman, Margaret Teare, Audrey Peifer, Valerie Jones, Liz Roberts, Alan Allinger, Seya Dyer, Van Epperson, Phil Edwards, Siobhan O'Brien, Bill Smith, Cathy Teare, Bonnie Branneu, Kim Crowther, Kenneth Dawson, Elena Dakazes, Carolyn Isler, Yirorn Johnson, Joe Lewis, Kerry Olsen, Mona Wilson, Jodye Ervin, Dee Dee Clute, Anndra Gorden, Celta Head, Celesta Bernstein, Steven Hodge, Dini Honeberg.

MIRARI STAFF

The MIRARI staff strated organizing their plans for the yearbook during the summer. The editor, J.J. Onofrio, and headphotographer Keith Heard attended a yearbook workshop camp in Hendersenville, North Carolina. They returned with many new ideas that proved to be helpful with the organization of the yearbook. The staff also acquired a darkroom this summer, which was set up by Keith heard. Members of the staff sold ads to cover the yearbooks' expenses from July until October to Athens businessmen.

The yearbook, however; wasn't the only project the staff was involved with this year. Homecoming, the beauty review, and who's-who's were events sponsored by the staff.

Until the final mailing, the MIRARI staff worked untold hours at night, after school, and on Saturday's to assemble the book. Working behind the scenes as hard as anyone was the MIRARI sponser, Mrs. Joyce Varn.

Along with the frustrations, disappointments, and hopeless moments members of the staff experience, there were also many rewarding ones, but their highlight of the year is the arrival of the MIRARI. The staff has its first look at the book at a party which takes place the night before distribution. Early the next morning, staff members are at the school unloading the books and preparing them for delivery to the students.

BETA CLUB

The Beta Club is a non-profit, leadership-service organization for high school students of high academic ability. Under the direction of Lynn Hunsucker and Jack Carter, the Beta Club has thrived as a special honor bestowed on students with high grade averages, and members have spent this past year organizing several projects.

Wishing to contribute to the erection of a marker in front of Cedar Shoals, the Beta Club sponsored a bake sale and a Boys' Beauty Review.

The Boys' Beauty Review, which was a huge success, was composed of guys willing to vie for the judges' approval as the prettiest beauty in the school. Dressing up and cutting up were the key factors that night.

Due to the hard work put into it, the Boys' Beauty Review should become an annual event as well as one which helped in a worthy cause.

INTERNATIONAL CLUB

The International Club has been formed to bring foreign language students together for common interests and purposes and to help elicit more interest in foreign languages and cultures. The club has one president, one secretary-treasurer, and four vice presidents, one from each of the languages taught here at Cedar Shoals which are French, German, Spanish, and Latin. The sponsors consist of all the foreign language teachers: Mrs. Howell, Mrs. Kelly, Mrs. Bazaco, Mrs. Nunnally, and Mr. Howell.

The club meets every other Tuesday in the afternoon and has a membership of 50 students. The meetings have included a talk from our Norwegian exchange student Egil Fors; and Brian Wells, who is a former AFS Student in Italy, presented a program. A slide presentation of Mexico was also given by Mrs. Bazaco. A Christmas banquet was held on December 13 at the Parthenon Clubhouse. Cuisine from all the different countries was enjoyed by those present. Many students took advantage of the indoor, heated pool, and the finale was the breaking of the pinate.

There are many plans for the remaining part of the year. A big International Week is being planned in which the students will wear representative costumes of the countries where the language they are taking is spoken. Plans for skits and a fair are also being planned. Other programs which will be included in the remaining meetings are some full-length feature films and field trips.

SMILING MONA WILSON enjoys the refreshments at the Christmas party which was held at the Parthenon Clubhouse.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League is a newly formed club for Latin and Greek students and others who are interested in classical civilization. The club believes that "a knowledge of the civilization of Greece and Rome will help us understand and appraise this world of today, which is indebted to the ancient civilization with its government and laws, literature, language, and arts."

Students attended the Fall Forum at the University of Georgia and will attend the Spring Forum to participate in contests involving chariot races, oratory, and dramatics and seminars of special interest involving costume making, astrology, etc. Lecturers from the University have been invited to address the group, and State and National conventions will also be held annually.

During the year the art department seemed to burst at the seams with honors and awards. They began to flow in around Oct. with Pam Edwards winning the Halloween Window Decorating Contest. For her artistic efforts, she received a \$50.00 savings bond from the C & S Bank of Athens. The lime—light continued with Bill Gould receiving 1st place in the Daily News and Athens Banner-Herald artistic newspaper advertizing contest. Janet Yoder kept up the flow with her award for the Christmas Window Decorating at Zayre's. Several CSHS students participated in the Penny Art Scholarship Contest. This department feels quite fulfilled with their awards for this year.

FFA

The Horticulture department is still a new interest at Cedar Shoals and has plans for expansion in the future. Projects such as building the court yards around the building.

Students learn the different varieties of plants along with their care and preservation. Another aspect of the Horticulture Dept. is the flower arrangement class. In this class they not only learn the art of flower arranging, but also provide a service for many groups throughout the school. They have undertaken such projects as making arrangements for sports banquets, corsages for homecoming and beauty review. Flower displays also were created for the D.E. banquet.

"I want some certs, Give me a box of cough drops. How much is that ring?" This is heard in a normal day in the Jag Shoppe. It is the school store run by D.E. students in the D.E.C.A. club. It was started at the beginning of the school year, next door to the D.E. room. It is supplied with books needed for classes, jewelry, records, jackets, and shirts.

The D.E. students were quite busy this year improving the Distributive Education department of the school. The members created a display window to learn how design and advertising is accomplished in actual store-windows. The students had a toy drive in collaboration with Clarke Central for the needy children of Athens. They also showed improvement by placing 4th in the Athens Fair with their exhibit. Along with their money making projects of the Jag Shoppe, selling Jag Plaques, they ran a concession stand during the basketball games.

The officers for this year are Terry Yarbough—President, David Smith—Vice-President, Diane Porterfield—Secretary, Debbie Townsend—Treasurer, Ronny Evans—Parliamentarian. Their advisor, Mr. Jerry Adams, put many long and laborous hours into making the D.E. department what it is.

HELPFUL FHA'ERS AID OTHERS

September was a busy month for FHA members. In the first days of school, they had a Friendly Helpful Aid Station to hand out maps of the school. They also gave aid to the lost and wandering travellers of Cedar Shoals High School. Next they installed officers and took a trip to the South Eastern Fair. While the Athens Fair was here, they made an exhibit to enter in the judging. Although they didn't place, a lot of hard work went into the display.

During Christmas, FHA members dressed dolls to give to needy children of Athens for the Salvation Army. They also went to the Hillhaven Convalescent Home to sing Christmas carols and to bring cheer to many old and lonely people.

Hillhaven was again brightened by these cheery young people on Valentine's Day with bright smiles of love and caring.

In May, they traveled to Atlanta for the State FHA Convention held at the Marriott Inn. There they learned new songs, met new people, and had a good time learning new ideas.

The officers for this year were: Geneva Taylor—president, Vivi Hopkins—vice-president, Mary Jo Frank—secretary, Shelia Jewell and Patricia Kozachyn—treasurer, Jackie Anderson—parliamentarian, Vivian Alexander—historian, Connie Adams—public relations chairman, Tam Weaver—project chairman, Beverly Billups—degree chairman, Miriam Cox—honor roll chairman, Ida Hopkins and Sharon Benson, music and recreation chairman, Mrs. Carolyn Owens—advisor, and Mrs. Taylor—chapter mother.

The Vocational Industrial Club of America

(VICA) proved to be a very rewarding organization to be a part of this year. Anyone in a vocational class such as Drafting & Design, Auto Repair, and Electro-mechanics may join VICA. The members are not required to work. The DCT class, however, had to work 10 hours in order to receive credit. All students in DCT are also members of VICA. The members participated in many judged speaking contests. They were responsible for preparing a speech for the occasion. In the early spring, some of the students went to Augusta to attend the Annual Plymouth Trouble Shooting Contest, sponsored by Chrysler Plymouth. The auto mechanics, and other fields.

Coach Arnold delaPerriere and the coach from CCHS use the driving range located to the east of Cedar Shoals to teach Drivers Ed. Students how to drive safely on the streets of Athens as well as on highways. The Driving range consists of Y-turns, full turn arounds, circles, changing lanes, yield signs, and many other traffic obstacles.

It presents realistic situations similar to those the student will experience in street driving.

FBLA

Future Business Leaders Of America, known as FBLA, is a national youth organization for business education students. Any high school students participating in a business program is eligible to join, and all Vocational Office Training students are expected to become members of this club. Members of this club learn certain requirements in preparing for a career in business.

V.O.T.

Vocational Office Training is a cooperative work-training program for high school juniors and seniors who are preparing for full-time employment in office occupations. It consists of three parts: classroom instruction, on the job training, and leadership training in FBLA. Students attend regular classes, along with one instructional period of V.O.T., and are placed in selected offices in the community for on-the-job training after school hours.

Students on the quarter system receive five hours of credit each quarter for five hours of classroom instruction. They also receive an additional five hours of credit each quarter for a minimum of fifteen hours per week of on-the-job training.

The coordinator, Mrs. J. Varn, helps the students decide on the job for which they are best suited. After employment, they follow a planned training program under the supervision of the employer and the coordinator. The students will receive a grade for the classroom instruction and a grade for on the job training each quarter. The students also receive an hourly rate of pay comparable to other employees of similar experience.

SCIENCE CLUB MAKES ADVANCES THIS YEAR

The Science Club at Cedar Shoals is a member of the Georgia Junior Academy of Science which is a member organization of High School Science Clubs. Any student taking a course in the Science Department is eligible for membership.

The Science Club has heard from many Speakers from the University and from several other such institutions.

The purpose of the Science Club is to permit students to view Science from a wider scale than found in the classroom.

This year the club sponsored a school-wide Science Fair which was a huge success. The sponsor of the Science Club is Mr. Sidney Johnson.

COMPUTER CLASS—NEW ADDITION TO MATHE- MATICS DEPARTMENT

This year a computer terminal has been added to the Cedar Shoals Mathematics department. The terminal is connected via a telephone to a computer in the computing center of the University of Georgia.

A course called Computer-Oriented Mathematics has been added

to the Mathematics curriculum. It is open to students who are currently enrolled in an Algebra II or higher level math course. The BASIC Computer language is learned, the students do individual mathematical projects using the computer.

TRIP TO FORT BENNING

The R.O.T.C. corps took a trip to Fort Benning last year. The experience let them see how actual army life is, and how they operate. They were met at the gate and transferred to army buses and were escorted by a staff car on a tour of the educational aspects at the fort. They saw the gun displays at the infantry museum, and were allowed to sit in the pilot's seat on the helicopters. It proved to be a very successful trip, and was well worth the day of school they missed.

R.O.T.C. ACTIVITIES

Members of R.O.T.C. proved to be very helpful to the community this fiscal year. They acted as ushers or guards at the University of Georgia football games. At the Athens Christmas parade they marched with the school band. R.O.T.C. members worked with the Athens Jay Cees to collect money for the Empty Stocking Drive. They covered the city door to door. They gave this money to needy families during the Christmas season.

KAY SHIFLET

CAMPUS QUEEN

"BABES" IN TOYLAND

Cedar Shoals held its first annual Beauty Review here in the school Auditorium December 8. The theme for the pageant was "Babes" In Toyland. The background scenery and music accented the Christmas mood along with doorprizes given by Santa Claus (Mr. Walter Allen) and Christmas carols sung by the audience.

Kay Shiflet was crowned Campus Queen out of 20 girls selected by the senior class. Kay is the daughter of Dr. and Mrs. Robert E. Shiflet. She has been in two previous beauty review courts. Kay has been a member of the drill team for two years and was a junior varsity cheerleader. Her hobbies include swimming, water skiing and playing the flute.

SOCCER TEAM HAS SUPER YEAR

The Cedar Shoals Soccer team has done a really fantastic job this year. They ended up with a 9-0-1-record, and won the Region tournament by two points. The soccer team has won the Dugan Cup every single year. They awarded this trophy after demolishing the Clarke Central Gladiators for the second time.

Coach George Watson had this to say, "We're proud of what we have accomplished. There is a true team effort. Every player saw our goal and then gave 1000% to accomplish it. That goal being the state championship and that's where we're headed with an undefeated, and unscored upon by Clarke Central, season.

WIN REGION TITLE

Jags Scalp Indian Five

ATLANTA — Cedar Shoals became the second Athens team in as many years to win the Region 8-AAA championship by defeating Cross Keys 87-58 Saturday night at Tucker High School gymnasium.

Both the Jaguars and the Indians now advance to the state AAA playoffs which begin March 5 in Atlanta. Cedar will play the loser of last night's 8-AAA title game between Newton County and Rockdale County, while Cross Keys will meet the winner of that game.

Cedar follows in the footsteps of cross-town rival Clarke Central in taking the 8-AAA crown. The Jaguars, who started fast this season before hitting a midseason slump, also won the subregion 8-AAA North title last week.

The region title game started slowly with Cedar scratching out a 14-10 lead after one quarter. The Jaguars warmed up in the second period, however, scoring 24 points to grab a 38-29 halftime lead.

Newton County lost to Rockdale County to 58-58 in the Region 6-AAA finals and will play Cedar Shoals in the first round of the state tournament March 5. Newton and Cedar met twice during the regular season, with each team winning on the other's home court.

Cross Keys whittled the lead to two points at 46-44 near the end of the third quarter, but at that point Indian center Kevin Curl fouled out of the game. The absence of Curl, Cross Keys' leading scorer in the Indians' 71-54 semifinal win over Peachtree, made a big difference in the game as Cedar immediately jumped out to a 50-44 lead and was never seriously threatened after that.

The game was marred by an excessive amount of fouls and poor shooting from the field. A total of 44 fouls were called, 21 on Cedar and 23 on Cross Keys, and three players, Cross Keys' Curl and George Hood and Cedar reserve Willie Cooper, fouled out of the game. Four more players, Neal Rogers, Zack Richardson and James Hunter of Cedar and Sam Martin of Cross Keys, finished the game with four fouls each.

Neither team shot well from the floor or from the foul line for that matter. The Jaguars hit 25 of 66 field goals for 37.9 per cent, but the Indians were even worse with 20 of 69 for an icy 29 per cent. Cedar hit 17 of 29 free throws for 58.6 per cent, while Cross Keys was somewhat more accurate with 18 of 26 for 69.2 per cent.

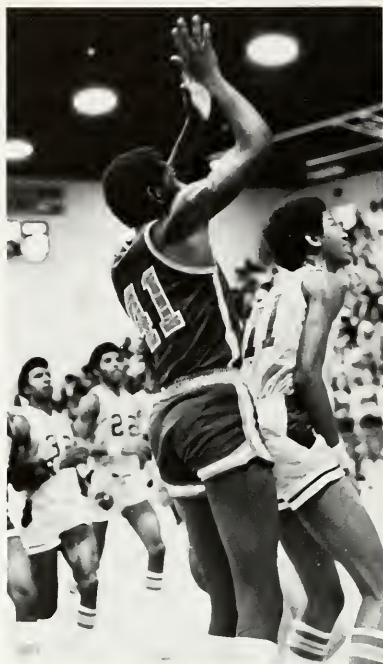

Rogers was the Jaguars' leading scorer with 15 points, followed by Weyman Christopher with 13 and Cooper with 11. Zack Richardson, who scored 26 points in Cedar's 63-47 win over Sequoyah in the semifinals a night earlier, was held to seven points.

The Indians' Martin poured in 19 points to lead all scorers. Hood was Cross Keys' only other player in double figures with 12.

The win improved Cedar's season record to 20-5. Cross Keys dropped to 19-7 with the loss.

GIRL'S ARE IMPROVING!

The girl's varsity basketball team for 1973-74 continued to improve in their climb towards a winning program. In their second year of existence, the girls improved their record to 7 wins and 14 losses, but more importantly, they became competitive with everyone on their schedule. Although the team will lose its two leading scorers in Phyllis Cox and Sybil Hill as well as co-captains Kathy Copas and Linda Ball, the outlook for next year is optimistic. Six lettermen will return in an effort to lead the lady Jaguars to their first winning season.

Top Left—Sybil Hill concentrates on a foul shot, while Sandra Hunter waits for results.

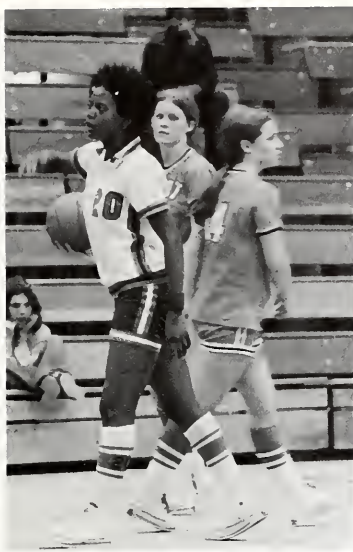

Top middle—Coach DuBose tells Tina Cahill what to do before putting her in the game. Assistant coach Danny Dantzer blows a bubble while trying to keep statistics. Vicki White, Nowell, Linda Ball, Trisia Bolds, and Sandra (KK) Hunter, watch action from the bench.

Top right—Vickie Brumby hustles to her defensive position.

Bottom left—Sybil Hill and Tina Cahill get ready to run offense while Vickie Brumby sets up the play.

Bottom middle—Phyllis Cox goes up for jump-ball while Sybil Hill awaits tip.

Middle right—Marie Williams fakes and drives. Bottom right—Vickie Brumby goes to basket and Phyllis Cox breaks through the lane.

BEHIND THE SCENES . . .

The B-team Cheerleaders showed a lot of spirit and vitality this year. It was a long year, what with football and basketball; however, the cheerleaders made it worthwhile.

Our special thanks go to the managers and score-keepers, without whom we couldn't do it.

“We’ve got that Spirit, We’ve got that Spirit!”

They certainly do have Spirit. The varsity Cheerleaders did a Fantastic job this year. They have been at it since September and are still going in February. A lot of hard work and hard cheering have greatly added to the prosperous seasons of the Football and Basketball Teams. The pep rallies and spirit stick, that really helped to unify the students and pep up the teams. We greatly appreciate all their support.

RUNNING A SCHOOL

takes a great deal of patience and effort to keep a school in good working order. The workers of our school help us to make it through a day in warm or cool class rooms (whichever the weather calls for) and a fulfilling lunch. We enjoy the comforts of our school, but we seldom realize people keep up our school. When you're walking down the hall, stop and look around, realize there are unseen people helping us everyday.

NATIONAL MERIT

Peter Hoyt, Shelly Smith, Dan Connally, and Micheal Smith were chosen to participate in National Merit. In October of their Junior year, they take the PSAT exam. If the score the students make is high enough they qualify for the semi-finals. The semi-finals are then sent a form to fill out which requires: School recommendations, Good SAT scores, a high school transcript, and a parents confidential statement. The scholarships won range between a period of one year to four years. Approximately 15,000 top scoring students will be named.

EXCHANGE STUDENT

Egil Andreas Fors is a 12th grade student from Norway. Egil has been in the United States five months. He enjoys going to Atlanta and looking at girls. He also is a member of the Cedar Shoals High School track team. When at home Egil snow skis, plays hockey and enjoys big beer parties with friends. Although Egil will not receive credit for his classes, he says he enjoys the experience. He likes the United States very much, but Egil says he will be glad when he sees home again.

WHO'S WHO AMONG AMERICAN HIGH SCHOOL STUDENTS

Each year students who are outstanding are chosen in Who's Who Among American High School Students. Their names are printed in a handbook that is sent to colleges and universities, along with high school activities. This handbook is checked when an application is filed and is considered a high honor for the students. From left to right are Kirk Alexander, Joyce Sansing, Carolyn Kennedy, Dawn Stallings, Micheal Smith, Arlene Gross, Charles Broussard, Gloria Hunnicutt, Sharon Gable, Cheryl Harris, Peggy Wilson, Debbie Buchannon, Karen Walker, Benny Coleman.

HONORS

DAUGHTERS OF AMERICAN REVOLUTION

Each year twelve girls are selected to represent their school as good citizens. From this twelve, four finalists are chosen. The girls must write a paper on leadership, patriotism, dependability, and responsibility. From this four a finalist is chosen to go on and compete for state honors and scholarships. The four finalists were (1) J. J. Onofrio, (2) Marcia Lester, (3) Dawn Stallings, (4) Sybil Hill, who was chosen to go to the state finals.

STAR ADMINISTRATOR

The Mirari staff would like to congratulate and salute Mr. Walter Allen. Mr. Allen has been in the Clarke county school system for twenty years. On January 7, 1974, Mr. Allen received his doctorate from the University of Georgia. Mr. Allen has several degrees which included an AB degree, Calfin College S. C.; BM degree, Oberlin College, Ohio; MM degree, Western Reserve University, Ohio; and his Doctorate from the University of Georgia. Mr. Allen is an active member of Kappa Alpha Psi Fraternity.

ATHENS JUNIOR MISS

In December 1973, Leslie Bowen was selected to represent Athens in the Georgia Junior Miss Pageant. Leslie was chosen in the pageant held in the Clarke Central auditorium. She went on to Atlanta to participate in the final pageant. She was second runner-up, the first girl from Athens to do so in ten years. For talent Leslie did a modern dance to Shaft. She won a two hundred dollar scholarship for her position in the runners-up. Leslie is the Cedar Shoals Miss Homecoming and won second place in the Bearty Review.

STUDENT SPEAKER

Carolyn Kennedy was chosen to represent Cedar Shoals High School in a principal's Conference, 1973. She had to speak on discipline as she sees it. Carolyn was complimented on her views, as she could tell it from a students point-of-view. She enjoys speaking and does it well. Carolyn plans to attend the University of Georgia in the Fall. She is an active member of the student council, the Mirari staff, and coordinator for the Cedar Shoals talent show.

GOVERNORS HONORS AND STAR STUDENT AND TEACHER

These students, Bill Robbins, Ralph Johnson, John Tyler, John Matthews, Cathy Teare, Laurin Smith, Phillip Clark, were recommended by teachers for having an above average academic ability. Cedar Shoals finalists compete with other area schools in

other finals. Then finalists compete for the State Title.

Janet Townner, because of her very high standings in her class, has been selected as Cedar Shoals 1974 star student. Janet chose Mrs. Nancy Walton as the star teacher for the year.

ACCREDITATION COMMITTEE

Cedar Shoals received accreditation for the 1974-1979 school years. For three days the accreditation committee observed classes and teachers, met with students and inspected the facilities. All of the members of the committee were favorably impressed with our school and felt its facilities were the most modern in the state. This was the first time that Cedar Shoals has been accredited on its own merit, and it gives us a great deal to be proud of.

Hey Baby—Wrap up!! The heat's going down!!

My car gets 30 miles to the gallon, how about yours?

A typical view of Tivoli from Mr. Ward's 1st period class.

50 m.p.h. What a drag!!

Hey Man! Heard about the energy crisis?

Energy Crisis?

Yes, there certainly appears to be an Energy Crisis. Time has been changed prematurely to Daylight Savings Time and students and school buses are receiving the brunt of it.

However, according to the President and his various committees this is an energy saving device. Therefore, Americans will turn down thermostats, drive more slowly, and hope that these energy preserving devices will be of some help.

This driver has a problem, nobody got up to come with him!

"Hey Man, what's your name, rank and serial number?"

"Hey fellow, I asked you a question!"

"Okay Man, I got your name now! You leave for 30 minutes now and you just may find yourself leaving for longer than that when you get back!"

Springtime brings a restlessness to many of us. This restlessness causes our students to find the beautiful outdoors much more tempting than an Algebra lesson, Chemistry lab, or English class. These things add up to a big problem. Truency. It will benefit our school's ADA rating and general school spirit if our students will work to minimize this problem in the future.

FACES

Mr. and Miss Cedar Shoals High School for the 1973-74 school year are Anthony McKinney and Dale McAllister. They were chosen by the Senior class by a majority vote.

Anthony was instrumental in spurring the Jaguars on to two consecutive winning seasons, and aspires to become a player in the professional football league.

Dale has been a member of the Mi-

rari staff for the past two years and plans to begin studying dental hygiene after she graduates.

We are honored to recognize these students for the personal contributions they have made to Cedar Shoals, and the accomplishments they have made as a result of their association with our school and their fellow students.

OUTSIDE WORK FOR SENIORS

Having a job seemed to be a part of being a Senior this year. The D.E. program of C.S.H.S. gave Seniors an Opportunity to hold jobs while attending school and gaining 10 Hours credit. A majority of students held many responsibilities along with trying to keep their grades up. Seniors were under a great deal of pressure and sometimes found little time for their own leisure activities. However, when football season came around in the fall, Seniors were out there Cheering.

Open Campus Policy

Juniors enjoy the privilege of being able to leave the campus for lunch and at other times when he or she has no scheduled classes. This policy allows a student time to work at a part-time job, take a class at the University of Georgia, or participate in various other activities.

Studying for an upcoming test, Angela Bush and Yvonne Burgess, compare notes.

Posters stating that "The Ring Man Cometh" caused excitement mixed with anxiety among members of the Class of '75. "Choosing my ring" created a time for decision blended with the realization that this moment was the "Beginning of the end" of one's high school years. This ring, an object of beauty and pride, will symbolize those memories which will be cherished forever.

Students crowded around Mr. Charles Crawford assisted by Mrs. Lynn Hunsucker to order class rings.

U. S. History

United States History, one of the courses required for high school graduation, was undertaken with mixed feelings. Each student was encouraged to make the study of our nation's past as meaningful as he or she desired.

Relaxing for a quiet moment Carol Jeanne Neal, Carolyn Adams, Bill Braselton, and Jodye Tolbert enjoy passing the time with conversation.

A Night To Remember

After months of planning and working to raise enough money, the long awaited Junior-Senior Prom became a reality. Students and their guests enjoyed an evening which will long be remembered.

In Memory of David Strickland

Class of 1975

David was very much a part of our school. You'd see him nearly every day in school, and he never missed the pep rallies, assemblies, or programs; and when you saw him, he always seemed at peace with his world. If you spoke to him, he'd smile and nod, and somehow your problems seemed smaller by comparison. He had a special kind of courage, and it affected everyone who encountered him. We find it impossible to describe David; words tend to be empty and meaningless. But we do remember him, and we hope that his family will find some measure of comfort in knowing that to us he was a very special person and he will remain a memorable part of our lives.

REGISTRATION IS A CONFUSING TIME FOR SOPHOMORES

It is a time when decisions they make about the classes they schedule will determine what they will want to do after high school. Some plan their schedules for classes that will help to prepare them for college, while others may want to work, or have other ideas. Vocational courses, such as Distributive Education are very beneficial to these students. There is a wide range of courses offered that are suitable to the needs of different types of students whose interests may vary.

Michelle Lay and Fran Singleton try frantically to schedule classes. They're doing better this year than they did last year. At least now they know what quarter hours are.

WHAT ARE FRIENDS FOR?

It's good to have friends. When you forget your homework, you can always borrow your friend's, right? Most people always need to borrow a little money! All you have to do is walk up to a good friend, and ask for a little, but don't ask for a lot or you won't get it! I think that you can almost always count on a friend.

THOUGHTS FOR THE FUTURE

No matter how exciting or boring school may be, you can always stop to think about yourself, your past, or your future. If you have a free period, you have to find something to do, so . . . sometimes you just sit around and think (maybe daydream). That thinking, sometimes, comes in handy!

DID YOU SAY SAUSAGE OR CHEESE?

The band often takes trips. Here they are getting some dinner. A couple of these fellows look over-anxious. Now, I understand why there are so many people who want to be in the band! Really, the people in the band like the chance to use the talents given them; but oh that food!

The band members really enjoyed their trip to Alabama, but the food looked pretty good to Walter Payne, Willie Bullock, and Mark Bugg.

Pep Rallies Pro- mote School Spirit

It has become a usual happening at Cedar Shoals to have a pep rally before the football or basketball games. The Students and faculty are excused from one class period during the school day in order to attend the pep rally. The pep rallies seem to be enjoyed greatly by all who attend them. They really help to build spirit for the game that is to come that night. The cheerleaders started this year awarding the "spirit stick" to the class section that has the best promotion of spirit.

Sophomores Enjoy Study Periods.

Occasionally a teacher will give the students a free period. The students are told that they must be quiet or else the class will be taught as planned. Of course, the students, are not always thankful for these study periods. But many of the students take advantage of this class time to study for a test that might be coming up next period.

Margaret Arnold and Greg Morton use their time in class for other things.

It is often during a student's sophomore year he begins to realize there are many cultures which differ greatly from his own. The study of foreign languages increases the student's awareness of other country's ways of life.

French, Spanish, German, and Latin classes are filled with students interested in these foreign lands. Trips to other countries are experiences available to students studying a foreign language.

SOPHOMORES WERE ENRICHED THROUGH NEW ACTIVITIES AND ORGANIZATIONS

Many people began to feel more like they had a place in the school as they reached a grade that enabled them to participate in many activities this year.

They learn that teachers treat them with less authority, and help to encourage their independence as they get closer to graduation. Sophomores become eligible for activities ranging from participation in Horticulture classes to trying out for the drill team.

THE SOPHOMORE'S CONTRIBUTION

The sophomores have contributed to many things as Cedar Shoals. There are quite a few who play basketball, football, soccer, and many other sports. Sometimes at the pep rallies the sophomores do not seem to have much spirit, but when you go to a game, you find many sophomores yelling their heads off along with the other classes. I have to agree that the seniors have the most spirit, but the sophomores aren't too far behind!

FRESHMEN

Freshmen had to adjust to a new way of life as they began their first year of high school. "The building seems large and confusing at first" and "There are so many more people." These reactions were heard from the Freshmen as they began the fall quarter. However, before the year was over the ninth graders felt sure of themselves, and recognized their place at Cedar Shoals.

FRESHMEN HAVE THEIR TOYS AT SCHOOL

The Freshmen class came up with their own idea of fun this year. YO'S-YO'S were seen through-out the halls as the freshmen showed their skill with their new-fad. They mastered all the tricks possible from "walking the dog" to "Cats Cradle".

FRESHMAN SHOW SCHOOL SPIRIT

With determination and an overwhelming amount of enthusiasm, the freshman class screamed out the chants of school spirit and received the spirit stick at every pep rally held except one. This proved that there is still some school spirit left in the hearts of some students. Although, they were the youngest class present, the freshmen let the upper classes know they could defeat them in one aspect.

Please accept a Great Unlocker
from the over-30 crowd. The Navy.
We think you deserve our admiration
for earning a high school diploma.
And not just for getting passing marks,
but also for deciding to stick to it.
The determination you showed
in earning your diploma
is going to mean a great deal.
Especially to employers.
Doors that stay closed to drop-outs
will be opened to you.
Including ours.

Thank-you

Representatives
for your help!

How to get decorating help without paying for it.

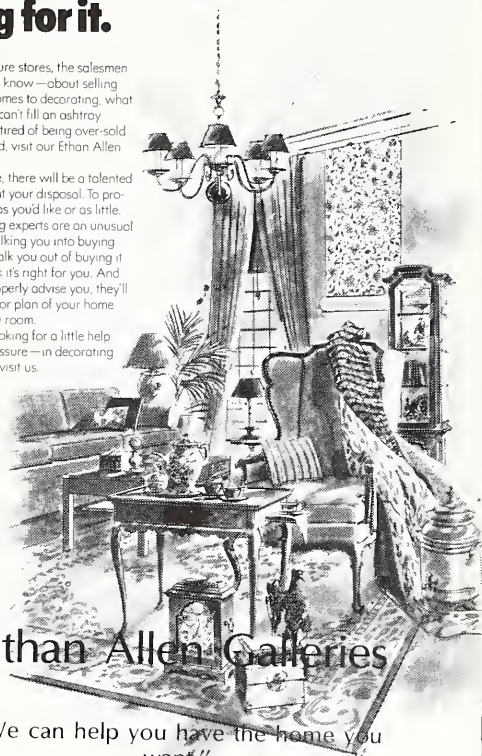

In most furniture stores, the salesmen know all there is to know—about selling. But when it comes to decorating, what they know usually can't fill an ashtray.

Well, if you're tired of being over-sold and under-informed, visit our Ethan Allen Gallery.

Free of charge, there will be a talented decorating expert at your disposal. To provide as much help as you'd like or as little.

Our decorating experts are an unusual breed. Instead of talking you into buying something, they'll talk you out of buying it—if they don't think it's right for you. And just so they can properly advise you, they'll often draw up a floor plan of your home with you—room by room.

So, if you're looking for a little help and not a lot of pressure—in decorating your home—come visit us.

Cedar Shoals . . .

A place filled with
common things . . .

laughing . . .
crying . . .
studying . . .
talking . . .
eating . . .
joking . . .
competing . . .
belonging . . .

Cedar Shoals . . .

Cannot offer us protection forever.
Love her,
but don't hide behind her walls . . .
Work for her,
but peep out into the world
and become aware of the challenges
confronting us . . .

Cedar Shoals

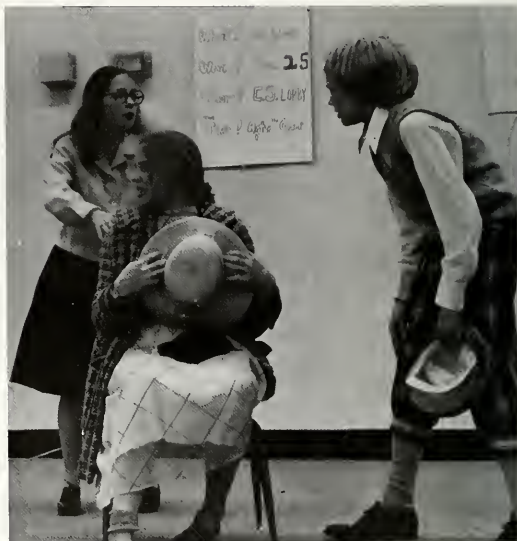

It's open.
It's unique.
It's ours.

Kavin
you've been a very good
friend to me this year and
it's meant a lot. I really
hope you make it to
Florida this summer. I
hope you make it to U.S.A
too but if you do I'll
miss you. Love, Day
